"Recently Renovated - Gardener Included"

This four bedroom home has been tastefully renovated throughout - polished pine flooring to living areas & hallway, white plantation shutters & roller blinds.

The large living area overlooks the front deck (real winter suntrap) & very private gardens.

There is a spacious dining area beside the renovated kitchen - featuring timber benchtops, Bosch dishwasher & Blanco gas cooktop & rangehood.

A huge sail covered deck almost doubles the living space.

Three of the 4 bedrooms comfortably accommodate queen size beds & 3 have built-ins.

The main bedroom has an ensuite.

The home has ducted gas heating and evaporative cooling.

There is a double garage.

Price: \$530
