Large pet friendly family home!

This four bedroom ensuite home is located at the top of Duffy with views to the city. The home features a renovated kitchen with granite bench tops opening into the dining meals room that leads out to the rear deck and pool area. A great flow for entertaining.

The large formal lounge room captures the elevated outlook. There are two good sized study/utility areas near the front entrance.

Downstairs the spacious fourth bedroom has access to a second ensuite bathroom via the play room.
