## Immaculate single level "Willemssen"!

This modernised "Willemssen" three bedroom ensuite townhouse is located in a boutique development where the single level properties are highly sought after and rarely available!

The floor plan is arguably the pick of the bunch providing good separation in the two spacious living areas and a segregated main bedroom with ensuite. The light filled lounge/dining room looks out into the private courtyard setting whilst the family room flows from the front to rear courtyard. The kitchen is well equipped and the walk in pantry cupboard is enormous.

- Sunny, light filled living spaces
