## Stylish, two bedroom, ensuite apartment with courtyard - UNDER OFFER

This ground floor two bedroom ensuite apartment in "Stromlo Terrace" is sure to impress many with its sunny north easterly aspect into the living areas and both bedrooms!

The apartment is in as new condition and offers the tenant the ability to move in and enjoy the lifestyle benefits that are on offer. Being located only 10kms from the City and several minutes' walk from Stromlo Mountain Park it is easy to see why so many are making the Wright choice.

Where this property differs from many other two bedrooms is the landscaped sunny courtyard makes the property feel twice the size as the living areas and bedrooms open out to the covered patio area. There is plenty of room for a BBQ with family and friends plus parking
