

156 Dixon Drive HOLDER, ACT

Ripe for renovation!

This four bedroom ensuite home is located on the northern fringe of Weston Creek with a pleasant outlook over the adjacent open parkland to Mt Stromlo and Black Mountain. It is only a nine minute drive from here to the city or a short bike ride to all of the recreational facilities at Stromlo Park.

The bathroom and ensuite are in serviceable condition so with a new paint job, some carpets and a little imagination you could do a lot for a little with this home.

- Ducted gas heating
- Slow combustion fireplace
