A Rare Find!

This townhouse is located in the Waterfront development in Coombs. The tranquil setting is on the edge of the pond and walking trails that lead up the hill to Stromlo Forest Park.

All of the features of this townhouse can be found in the impressive inclusions list below. The up-stairs balcony has a very sunny outlook to the north. Being located on the end of the building two of the bedrooms have an extra set of windows and allow an abundance of natural light to flood into the home.

The double garage has a remote controlled door and an additional powder room is located on the ground floor.
