

28 Boustead Circuit KAMBAH, ACT

Fantastic entry level home!

This privately built three bedroom home is nestled in a quiet loop street with a beautiful northerly aspect. The living room and two of the bedrooms are bathed in sunshine.

Inside the new owners will be able to enjoy the renovated bathroom and ducted reverse cycle air conditioning from day one. The bedrooms all have built in cupboards with the third bedroom featuring a great built in desk and book shelf.

This home has scope to further add value by some cosmetic improvements and a new kitchen but it is in perfect working condition.
