

108/43 Arthur Blakeley Way Coombs, ACT

Sunny Aspect

This second floor two bedroom apartment is located in the popular Del-Rey building. The design was inspired by Californian style of apartment buildings with great solar orientation, open breezeways and a balance of outdoor usable space.

The location offers a perfect balance. It is on the fringe of open parkland with easy access to Stromolo Forrest park and within a short commute to the city centre with the express bus route just around the corner.

A single carparking space in the secure underground carpark is easily accessed along with a storage locker.

Price: \$505 per week
EER: 6.0
